Automated Capture

Capture invoices in any format faster for convenient workflow

99.9% Accuracy Exclusive to AP Portal

Trust our advanced technology and systems for errorless processing

What's your manual AP process *costing* you?

Manually processing invoices costs businesses on average \$12 per invoice but can reach as high as \$40 per invoice when complications or errors arise.

Related costs, and hardly often tracked, include personnel, late fees, lost discounts, postage and storage fees that all impact bottom lines for businesses.

See just how much on average businesses can be saving by switching to AP Portal:

SAVE
\$ **12K**
per month in
processing costs

*Based on average of 1,000 invoices and taking into account of administrative costs, fees, and resources

SAVE HOURS
350
per month by
eliminating data entry

*Based on average of 1,000 invoices to manually process invoices and resolving errors or missing invoices
